a zesty twist!

Orange Obsession

Orange is more than a colour: it's a flavour that instantly grabs the attention. Bright, bold, and refreshingly delicious, orange pairs effortlessly with other tastes. Combine an orange cone with Salty Liquorice Flakes or expand your menu with a zesty orange milkshake and Lotus® Crunch. Guests will love the surprising twist!

Ready for 2026

New & familiar flavours

The world of soft serve is constantly evolving. In the coming year, we expect to see a growing interest in unique flavours and an even greater role for the online world (to attract your guests). As an entrepreneur, you're always looking to respond to the latest trends and developments. Who knows, the next TikTok craze might be just around the corner. Nic is here to support you in boosting your sales and staying ahead of the curve.

With the new products we're introducing this year, you'll have everything you need to surprise your guests all over again. Our assortment now includes Salty Liquorice Flakes for a bold flavour twist, and we're launching a refreshingly delicious orange shake!

Of course, Nic continues to closely follow the latest flavour trends. Last year's Dubai- trend revealed a strong demand for luxurious, creamy and distinctive combinations. That's why we're adding a brand-new topping to our range this year: a white chocolate flavour with a crispy puffed rice crunch. Few guests will be able to resist this delicious combination!

Meanwhile, the iced coffee trend shows no signs of slowing down. Make sure you're ready to serve a high-quality iced coffee this season. With Nic and LiquidBeans®, you'll be serving up the most delicious iced coffees and Frozen Frappé's in no time.

This brochure gives you everything you need to effortlessly keep up with the latest trends and stand out with your assortment. Who knows, your own flavour creation might just become the new trend of this year. We warmly invite you to explore our newest toppings and garnishes, and we look forward to discovering exciting new creations together!

Danish Wafers

Authentic Danish waffle cones are renowned for their exceptional quality, both in taste and design. The signature fluted edge isn't just decorative; it helps soft serve stay perfectly in place. Our Danish cones are delightfully crisp and baked with real butter. Serving your soft serve in a Danish waffle cone enhances the flavour and elevates the entire experience.

Garnishes

Elevate your soft serve with delicious garnishes that add extra taste and texture. With our wide selection, there's always a flavour that matches the season or the latest trends.

This year, we've added a truly unique garnish to our assortment: Salted Liquorice Flakes. Surprising? Absolutely. Delicious? Even more so. The bold flavour of liquorice pairs unexpectedly well with soft serve. Did you know this combination has been a top choice in Scandinavia for years? this combo delivers a layered, unforgettable taste. Now it's your turn to stand out: offer something bold and keep guests coming back.

Inspiring soft serve creations

Create instant value with luxurious desserts

Soft serve is incredibly versatile and pairs beautifully with a wide range of ingredients, from bold toppings to crunchy garnishes. With just a few simple additions, you can transform soft serve into a premium dessert, perfect for cafés, lunchrooms, restaurants, or as a standout special during events and seasonal celebrations.

On the following pages, you'll discover how to make your soft serve, milkshakes, and iced coffees truly unforgettable. From vibrant Crazy Cones to irresistible Premium Shakes, Frappés and Shuffles—these eye-catching creations are designed to reflect the latest consumer trends.

Today's younger generations are looking for more than just a product, they want an experience. Soft serve presented in a creative way (think luxury glassware, colourful cones, or Instagram-worthy designs) grabs attention and is more likely to be shared online. Unique flavour combinations spark curiosity and encourage guests to try something new.

With Nic, it's easy to tap into this development. Serve your soft serve or milkshakes in a stylish glass, add extra toppings and garnishes, and you've instantly created a premium dessert. This approach works brilliantly for iced coffees too, which are more popular than ever.

In fact, more and more young consumers are choosing iced coffee over traditional brews. Thanks to the collaboration between Nic and LiquidBeans®, you can effortlessly respond to this trend and attract a younger audience to your business. Perfect for boosting your online visibility! Dress up your iced coffees with appealing garnishes and they're sure to appear on social media, ready to be liked and shared.

Beyond increasing your reach and attracting new guests, a creative and premium presentation offers another key benefit: added value. Guests are willing to pay more for standout creations, giving your revenue an instant boost.

So turn the page and discover how you can unlock these exciting opportunities to grow your business!

Cool Coffees in a Flash!

A Frozen Frappé is no longer just a refreshing drink, it has become the creative flavour experience of the moment. From creamy classics to bold new combinations, the possibilities are limitless. Use the flavourful Frozen Frappé as your base and pair it with classic toppings like toffee caramel, creamy hazelnut, or rich chocolate. Looking for a surprising twist? Add fruity accents with toppings such as spicy orange or cherry. Every Frozen Frappé becomes a unique creation that perfectly matches your taste and style and is a delight for your guests.

*Create, combine, and surprise
because with Frozen Frappé, every
sip is an experience.*

Consumers are looking for something special, something that stands out. Iced coffees align perfectly with this demand: they offer a sense of luxury, an artisanal feel, and the freedom to endlessly experiment. Whether you choose vegan options, sweet syrups, or rich toppings, iced coffee taps into the desire for flavourful, Instagram-worthy moments of indulgence.

Preparing a Frozen Frappé with a granita machine is quick and effortless, no barista skills required. Ideal for fast-paced environments where speed and convenience matter.
